Brief description of the proposed project:-

Rajpura-Bathinda Double Line project has been sanctioned by Ministry of Railways which is being executed by Project Implementation Unit Chd-II of Rail Vikas Nigam Ltd. The Freight Loading site at the existing Dhuri Station is required to be shifted to a new location for re-modeling of Dhuri Railway Station.

The Engineering scale plan of Dhuri Railway Station has been accordingly prepared by relocating the freight loading site towards Rajpura end to make the project feasible. Accordingly the land is to be acquired from KM 74.785 to 75.95 on left hand side (up-line side).

The project area and the affected areas:-

Village Dohlan and Harchandpura in Sangrur District

Date of Completion of SIA:-

Three months from the date of completion of commencement of SIA notification.
